

AWARDS

NOTES FOR APPLICANTS

**THE
FOUNDATION**

The Greenwich Blue Coat Foundation is a Charitable Trust established from the original Blue Coat School for Girls, founded in 1700 by "some charitable ladies". The Foundation continues its interest in the Blackheath Bluecoat Church of England Secondary School and also has a small annual income for distribution to qualifying individual applicants of either sex.

QUALIFICATION

To qualify applicants must:

- 1 Be under 25 years of age
- 2 For not less than two years previous to their application been resident or attending school in the London Borough of Greenwich

The Trustees regret that applicants who fall outside of these criteria cannot be considered.

AWARDS

The Foundation has a relatively small sum of money available annually and does not therefore usually make large individual awards. The average award is around £500.

The Trustees are particularly interested in supporting young people with ***limited means*** from the London Borough of Greenwich in furthering their educational or life skills or to assist their entry to a chosen career path.

The Trustees will consider applications from individuals who meet the residential and age qualifications and are seeking an award which falls within the above description. All applicants will be required to complete an Application Form (obtainable from the Clerk to the Trustees) and will be required to provide evidence of their financial status. The Trustees usually meet four times a year in January, April, July and November

All awards are made solely at the discretion of the Trustees and applicants may be interviewed.

Application forms for awards may be obtained from (and should be returned to):
